6. With reference to the repeated representations of the Dy. Comr. bringing to notice that owing to high prices and large concourse of people owing to the removal of plague restrictions, the allotments now made for the feeding at Subrahmanya & Bisle are no longer sufficient and that the amounts may be raised by Rs 250 & Rs 100, respectively, Govt. have observed in their Proc. Nos

(1) 1175-7 / Mug 231-12-8 & 23-10-13

(3) 1005-7 / Mug 122-14-9 & 12-10-15

that separate orders will be passed on this question and that as there is a large surplus at the credit of both, the excess expenditure will be debited against the surplus.

7 Kind attention is also invited to the remarks of the Under Secretary in the matter in paras 27 & 28 of the office note in Mug. file No 133-14.

8 As the expenditure at both Subramanya and Bisle ~~are~~ has been increasing from year to year owing to high prices & large concourse of people as will be seen from the statement put up, the points for consideration and orders are (1) by what amounts the allotments should be enhanced and (2) from what source ~~that~~ they should be met.

pilgrims begin to congregate?-

Answer. The festival commences on "Karthicka Bahula Dwadasi" and ends with the "Margasira Suddha Dwadasi" or sometimes on "Pournavasi", during which period feeding will be conducted both at Subramanya and Bisle.

20 The pilgrims begin to congregate from the "Karthicka Bahula Dwadasi," the average number fed, taking the figures for 1915, 1916, & 1917, being 10188 at Subramanya and 1702 at Bisle. It is on Panchami, Shasti and Saptami that the greatest number of pilgrims gather?

21) 2) What is the number fed at the two places on each of the jatra days. (figures to be furnished for the last 3 years)

Answer (vide) statement. The total figures for the years 1915, 16 & 17 were, respectively, 10568, 10273 & 9724, the average for a year being 10,188 as noted above.

22) 3) Whether the feeding may not be limited to a fixed number of days on each side of the Champa Shasti- say 5 days or 11 days in all, so as to keep

keep the cost within the sanctd am

Answer The rise in expenditure should be accounted for by the abnormal rise in the prices of almost all the foodgrs Do keep the expenditure within limits, the Amildar and the Sub- Dy offr suggest that the feeding may be limited to 15 days from "Karteeka Dwadasi" to Margasira Dwadasi", the feeding for 3 or 4 days at the end being stopped - The Dy: Comr says that much savings cannot be effected by this means and suggests enhancement of the present allotment as follows:-

1) Barahazar santarpane from Rs 2000 to Rs 3500/-
2) Bisle Sri Ramadevaru Chattram. from Rs 350 to Rs 500
3) Manjarabad chattram from Rs 100 to Rs 200

2: Total increase being Rs 1750. The actual expenditure during 1917 and 1918 is stated to give an average of Rs 4200 and that the allotment ~~proposed to~~ fixed at Rs 4200 is therefore, proposed to be - A kind perusal of the Amildar's report of 13-3-17 shows that the expenditure cannot be kept down to the sanctd scale consistent with the well-earned prestige of the Govt and

and the Comg: established desire of the devotees that attend the jatra -

24 As regards arrangements for the conduct of the Santarpane, the Dy: Comr: says that no change in the present system is called for —

25. The points for consideration and decision are: —

1) Whether the allotments for santarpane at Subramanya and feeding at Bisle should be enhanced and if so to what extent. The D.C. has proposed an increase of Rs 1750 - The increase from Rs 100 to Rs 200 for the Marenahalli (Sakleshpur) chattram does not appear to be necessary, as the previous years' expenditure goes to show that there has not been an appreciable increase there.

2) If the allotment is enhanced, from what source should the addl expenditure be met -

The case of institutions like the present one which depend on the Cash grant only and curtailment in the usefulness of which is not possible may be differentiated from that of institutions which are endowed with property, movable and immovable, and which possess a circle of devotees. The provision of the excess may well be out of State funds.

Neither the quantity of provisions nor the number of Brahmans fed has come up to the original estimate though owing to the rise in prices the cost has appreciably increased. Joint Secretary to the Government of His Highness the Maharajah of Mysor , Muzrai Department, Bangalore.

Sir,

With reference to your letter No.1856/Muz 415-16-1 dated the 25th January 1917 requesting me to furnish information on certain points in connection with the question of the enhancement of the allotment of expenditure for the Barahazar Santarpane', to be celebrated annually, at (a) Subramanya in the South Canara District and (b) Bisle in the Manjarabad Taluk, during the Champashashti festival at Subramanya, I have the honour to forward herewith, the vernacular correspondence connected with the subject for information.

2. It will be seen therefrom that ~~that~~ the Champa Shahti festival, at Subramanya, commences on " Kartheeka Bahula Dwadasi " and ends with the " Mahasumprokshana " ceremony which generally falls on "Margasira Suddha Dwadasi " or sometimes on "Pournavami ", during which period, feeding will be conducted both at Subramanya and Bisle'. The pilgrims begin to congregate from the " Kartheeka Bahula Dwadasi" the average number of pilgrims, taking the figures of the three previous years, being 10139 at Subramanya and 1702 at Bisle'. It is only on the " Suddha Panchami, Shashti, and Saptami days that the greatest number of pilgrims gather.

3. The expenditure incurred for the Santarpane' has been exceeding the Budget allotment every year which can be accounted for by the abnormal rise in the prices of almost all the foodgrains. In view of keeping the expenditure within the sanctioned limit, the Amildar suggests that the number of days for feeding may be limited to 15 days from " Kartheeka Bahula Dwadasi " to " Margasira Suddha Dwadasi ", the feeding conducted for three or four days at the

the latter part of the festival being stopped. The Sub Division Officer also concurs with the views of the Amildar. But the -- savings effected thereby is by no means large.

4. Under the above circumstances, I beg to suggest that the present allotment of Rs. 2450/- may be increased to Rs. 4200/- as detailed below:-

	Existing Grant	Proposed Grant
1. Barahazar Santarpane at Subramanya.	Rs. 2000/-	Rs. 3500/-
2. Sreeramadevara Chatram at Bisle.	Rs. 350/-	Rs. 500/-
3. Saklespur.	Rs. 100/-	Rs. 200/-

to meet the present requirements. It has also to be stated ~~that~~ that the bill of expenditure during 1917 and 1918 comes, on an - average, to about Rs. 4200/-, the amount now proposed to be allotted.

5. I have to add that no change either as regards the con--veyance of the provisions or the deputation of officers from the Mysore Government is called for, as the existing arrangements have been working satisfactorily. I request the favour of early orders being passed in the matter.

I have the honour to be,

Sir,

Your most obedient servant,

Note Book

Dear Sir,

I am directed to draw your attention to the growing expenditure of the Barahazar Santarpane far in excess of the sanctioned allotment particularly since 1917 as will be seen from the following figures.

Year.	Advance sanctioned.	Bill of actual expenditure.
1917.	Rs. 2,450.	Rs. 3,252 10 10.
1918.	Rs. 3,000.	Rs. 5,613 9 6.
1919.	Rs. 4,000.	Rs. 5,350 0 5.

Now again in your letter dated 24th instant you have applied for an advance of Rs. 4,200/- for this year's Santharpane in December next.

I am to point out that this cannot go on indefinitely. To feed "Barahazar" people nowadays will cost several times more than what it used to, years ago. The feeding must therefore be limited as far as possible to the amount available and in the opinion of Government, it is very inadvisable to exceed the allotment in future years.

I am therefore to request that you will be so good as to give the subject your best consideration and favour me with an expression of your views and proposals in regard to the future of the Barahazar Santarpane.

The matter is very urgent and the Government await your reply before passing orders on your letter asking for an advance for this year's Santarpane.

Yours sincerely,

B. Venkoba Rao, Esq., B.A.,
Deputy Commr, Hassan,

D.O. No. C. 778 15-16

SERIAL 86

Dear Sir,

In reply to your D.O.No.C.6/Muz. 302-11- of the 29th instant, I write to inform you that the curtailment of expenditure in connection with the Barahazar santarpane at Subrahmanya has already been engaging my serious attention.

2. At present the feeding of the pilgrims is taking place at Manjarabad, Bisle and Subrahmanya for a period of 30 days. The annual Budget allotment is Rs.2450/- and with this amount it was found possible to arrange for the feeding of 12000 pilgrims when the price of food grains was very cheap. With the abnormal increase in the price of food stuffs and every necessary of life it is not at all possible to get through the functions successfully -within the Budget allotment.

3. It is only after mature consideration that my predecessor Mr. Venkata Rao seems to have recommended the increase of the Budget allotment to Rs.4300/-. If any curtailment in the expenditure has to be made the feeding at Saklaspur may be discontinued, and the number of days on which the travellers are fed at Bisle and Subrahmanya may be reduced. But whether the savings that could be effected thereby will be appreciable, is a point for consideration.

4. In such circumstances I cannot make any definite proposals in the matter till I actually study the local conditions and form an idea as to how far the expenditure could be reduced. I have therefore already applied for permission to go to Subrahmanya this year with the necessary establishment in addition to the Taluk staff usually deputed for the purpose according to G.O.No.3676-80/Muz. 174-07 dated 6th May 1910.

5. Meanwhile for better supervision with a view to reduce the expenditure I have arranged for 2 respectable non-official gentlemen being associated with the Taluk Sheristedar who has to stop at Subrahmanya for the purpose throughout the period.

As the Car Festival is fast approaching, I request early orders sanctioning the advance of Rs.4300/- already applied for this year.

Yours sincerely,

T. E. Jayarama Iyer, Esq., B.A., B.L.,
Secretary to the Government of Mysore,
Muzrai Department, Camp Mysore.
